

Thrive Homes

Housing Association
Watford, Hertfordshire

Details

Size: n/a

Value: £36K

Duration: 3 weeks

The Brief

Thrive Homes, an innovative housing provider based in Watford, asked Meridian Interiors and Meridian Office Furniture to work to a very focused brief: not only to reconfigure their reception area - providing a welcoming area for all visitors - but also to ensure an accessible environment for those with disabilities, in full compliance with the Disability Discrimination Act (DDA).

Project Scope

- Doors and flooring
- Reception desk and internet station
- Reception seating
- Acoustic panels

Group Companies Involved

- Meridian Office Furniture Ltd
- Meridian Interiors Ltd

Our Solution

Meridian Interiors undertook the initial alterations to the reception area to ensure DDA access: fitting an additional door as well as new flooring. We then supplied and fitted the Receptiv modular reception desk, a bespoke public internet station and reupholstered the existing sofas. We also reconfigured the desking in the general area and installed acoustic panels.
